##### School Improvement Grant (SIG) 1003(g)

The grantee LEA's designees must sign and return a copy of the following assurances as in order to participate in the 1003(g) SIG program.

The grantee will use its School Improvement Grant to implement fully and effectively one of the following interventions in each of its Tier I and Tier II schools identified on the LEA grant application: (A) Turnaround Model;

(B) Closure Model; (C) Transformation Model; (D) Restart Model. LEA implementation of intervention models should adhere to all regulations in accordance with the final requirements for School Improvement Grants under section 1003(g) of Title I of the Elementary and Secondary Education Act (<http://www2.ed.gov/programs/sif/2010-27313.pdf>).

The grantee will establish annual goals approved by the IDOE for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in Section III of the final requirements in order to monitor and hold accountable each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the IDOE) to hold accountable its Tier III schools that receive school improvement funds.

The grantee will report to the IDOE all applicable school-level data that is required under Section III of the final requirements.

- Number of minutes in Math and Reading in the instructional day or school day;
- Student participation rate on State assessments in reading/language arts and in mathematics;
- Student attendance rate;
- Teacher attendance rate;
- Combined suspension/expulsion rate;
- Minutes of job-embedded PD/week;
- Distribution of teachers by performance level on an LEA's teacher evaluation system;
- For Both Math and English/Language Arts Each:
  - Percent of students passing ISTEP, by grade level;
  - Percent of Bottom 25% demonstrating high growth (4-8);
  - Percent of all students showing low growth; and
  - Average scale score, by grade level;
- Percent of students at or above proficient on ISTEP on both Math and E/LA; and
- Percent of students achieving proficiency on IREAD (spring test only).
- For Both English I0 and Algebra I ECA:
  - 10<sup>th</sup> grade cohort pass rate;
  - 8<sup>th</sup> grade (ISTEP) to 10<sup>th</sup> grade (ECA) improvement;
  - Percent of re-testers which pass by 12<sup>th</sup> grade; and
  - Average scale score, by grade level.
- Non-waiver graduation rate; and
- Percent of graduating cohort to receive college and career readiness standard.

IDOE will make grant renewal decisions based on whether the school has satisfied the following requirements in regards to its annual performance targets for leading and achievement indicators:

- **Leading Indicators**—Elementary and middle schools must meet 4 of 7 applicable leading indicator goals; schools containing a high school must meet 6 of 9 leading indicator goals.
- **Achievement Indicators**—Schools in year one of the grant must also meet 70% of the achievement indicators, including yearly achievement goals in the 1003g SIG application. Schools in year two of the grant must also

meet 80% of the achievement indicators including yearly achievement goals in the 1003g SIG application. Schools which administer both the ISTEP+ and ECA assessments will be measured by student performance on all applicable achievement indicators combined.

Failure to submit required data to the IDOE by set deadlines may result in a delay of funds.

#### State Assurances

LEAs will establish an LEA-based School Improvement Officer or School Improvement Office that will be responsible for taking an active role in the day-to-day management of turnaround efforts at the school level in each identified Priority School to be served by the approved application and for coordinating with the SEA.

LEAs that commit to serve one or more Priority Schools that do not receive Title I, Part A funds to ensure that each of those schools receive all of the State and local funds it would have received in the absence of the School Improvement Grant funds. Further, LEAs cannot use School Improvement Grant (SIG) funds to support district-level activities for schools that are not receiving SIG funds.

Grantee agrees future funding opportunities may be hindered if per this or any grant opportunity/contract with IDOE have not been met and/or reports are not submitted in a timely fashion.

#### Changes

This agreement will not be modified, altered, or changed except by mutual agreement by an authorized representative(s) of each party to this agreement and must be confirmed in writing through the IDOE grant modification procedures.

#### Independent Grantee

The grantee shall perform all services as an independent grantee and shall discharge all of its liabilities as such. No act performed or representation made, whether oral or written, by grantee with respect to third parties shall be binding on the IDOE.

#### Termination

The IDOE, by written notice, may terminate this grant, in whole or in part, if funds supporting this grant are reduced or withdrawn. To the extent that this grant is for services, and if so terminated, the IDOE shall be liable only for payment in accordance with payment provision of this grant for services rendered prior to the effective date of termination.

The IDOE, in whole or in part, may terminate this grant for cause by written notification. Furthermore, the IDOE and the grantee may terminate this grant, in whole or in part, upon mutual agreement.

The IDOE may cancel an award immediately if the State finds that there has been a failure to comply with the provisions of an award, that reasonable progress has not been made, or that the purposes for which the funds were awarded/granted have not been or will not be fulfilled.

Either the IDOE or the grantee may terminate this agreement at any time by giving 30 days written notice to the other party of such termination and specifying the effective date thereof. The grantee shall be paid an amount which bears the same ratio to the total compensation as the services actually performed bear to the total services of the grantee covered by the agreement, less payments of compensation previously made.

#### Access to Records

The grantee agrees that the IDOE, or any of its duly authorized representatives, at any time during the term of this agreement, shall have access to, and the right to audit and examine any pertinent books, documents, papers, and records of the grantee related to the grantee's charges and performance under this agreement. Such records shall be kept by grantee for a period of five (5) years after final payment under this agreement, unless the IDOE

authorizes their earlier disposition. Grantee agrees to refund to the IDOE any overpayments disclosed by any such audit. However, if any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 5-year period, the records shall be retained until completion of the actions and resolution of all issues, which arise from it.

This agreement, and all matters or issues collateral to it, shall be governed by, and construed in accordance with the laws of the State of Indiana.

#### Legal Authority

The grantee assures that it possesses legal authority to apply for and receive funds under this agreement.

#### Equal Opportunity Employer

The grantee shall be an equal opportunity employer and shall perform to applicable requirements; accordingly, grantee shall neither discriminate nor permit discrimination in its operations or employment practices against any person or group of persons on the grounds of race, color, religion, national origin, handicap, or sex in any manner prohibited by law.

#### Copyrights

The grantee (i) agrees that the IDOE shall determine the disposition of the title and the rights under any copyright by grantee or employees on copyrightable material first produced or composed under this agreement; and, (ii) hereby grants to the IDOE a royalty free, nonexclusive, irrevocable license to reproduce, translate, publish, use and dispose of, to authorize others to do so, all copyrighted or copyrightable work not first produced or composed by grantee in the performance of this agreement, but which is incorporated in the material furnished under the agreement, provided that such license shall be only to the extent grantee now has, or prior to the completion or full final settlements of agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant.

Grantee further agrees that all material produced and/or delivered under this grant will not, to the best of the grantee's knowledge, infringe upon the copyright or any other proprietary rights of any third party. Should any aspect of the materials become, or in the grantee's opinion be likely to become, the subject of any infringement claim or suite, the grantee shall procure the rights to such material or replace or modify the material to make it non-infringing.

#### Personnel

Grantee agrees that, at all times, employees of the grantee furnishing or performing any of the services specified in this agreement shall do so in a proper, workmanlike, and dignified manner.

#### Assignment

Grantee shall not assign or grant in whole or in part its rights or obligations under this agreement without prior written consent of the IDOE. Any attempted assignment without said consent shall be void and of no effect.

#### Availability of Funds

It is expressly understood and agreed that the obligation of the IDOE to proceed under this agreement is conditioned upon the appropriation of funds by the Indiana State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at anytime, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Indiana to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to IDOE, the IDOE shall have the right upon ten (10) working days written notice to the grantee, to reduce the amount of funds payable to the grantee or to terminate this agreement without damage, penalty, cost, or expenses to IDOE of any kind whatsoever. The effective date of reduction or termination shall be as specified in the notice of reduction or termination.

## Division of Innovation and Transformation

### Corrective Instruction (Re-teaching) Planning Process

<b>Step One</b>	<b>Step Two</b>	<b>Step Three</b>
<i>Group most critical standards (red) by skill/indicator</i>	<i>Create a daily calendar plan of which indicators you will re-teach prior to next Acuity</i>	<i>For each critical indicator perform deconstruction process of each standard/indicator including the concepts and skills students need to know/understand/do</i>
<b>Step Four</b>	<b>Step Five</b>	<b>Step Six</b>
<i>For each area of the deconstruction for the indicator tell the method or strategy used to teach</i> <i>*Research or create alternate methods/strategies to teach the skill/concept the skill/concept</i>	<i>Develop a full lesson plan using new instructional strategy/method including the following contents:</i> <i>-I Can Statement</i> <i>-Essential Vocabulary</i> <i>-Guiding Questions throughout the lesson</i> <i>-Direct Instruction Process</i>	<i>Assess students on the concepts and skill that have been re-taught</i>

## Division of Innovation and Transformation

### *Corrective Instruction (Re-teaching) Planning Process*

#### *~Corrective Instruction- Re-teaching Guidelines~*

***Effective corrective instruction activities are different from the activities in the initial instruction:***

- ***Present the concepts differently***
  - *Change the format*
  - *Change the organization*
  - *Change the method of presentation*
- ***Engage students differently in learning***
  - *Appeal to different learning styles or modalities*
  - *Use different intelligences*
- ***Provide students with successful learning experiences***
  - *Abandon and replace activities not successful in practice*
  - *Enable students to be better prepared, more confident, and more motivated for future learning tasks*

#### ***Remember Corrective Instruction through Re-teaching-***

- ***Uses results from formative assessments.***
- ***DO use a different approach and/or different examples.***
  - ***DON'T just redo the original lesson.***
